

Quality Policy

- Q** United Roofing Products are committed to the manufacture to the highest quality for the construction industry, with the aim to satisfy the needs and expectations of their customers. We aim to achieve the above by implementing a quality management system that complies with the international standard ISO 9001:2015.
- Q** United Roofing Products achieve their continuous improvement in quality, through top management reviewing their management system to ISO 9001:2015 Standard, CE Marking and compliance to the Health & Safety at Work act 1974, the Data Protection Act 1998 and regulations relating to the industry. Therefore demonstrating the company's competence to existing customers, potential customers, and independent auditing authorities.
- Q** Company objectives are set by top management at the annual review meeting, in respect of resources, performance, and trading trends. The involvement of all personnel within the company enables the company's objectives to be accomplished, thus achieving and improving the company's profitability and growth for investment in the future.
- Q** This Quality Policy is communicated to all new employees during their induction to the company.
- Q** This Quality Policy statement has been signed and approved by the Managing Director as well as being displayed throughout the site and will be made available to all relevant stakeholders upon request. This policy will be reviewed for continuing suitability at the Management Review, ensuring that it is communicated fully throughout the organisation.

A handwritten signature in black ink, appearing to be "M. S.", is written over a solid horizontal line.
